

Major Offered Through:

Umpqua Community College

Environmental Economics and Policy

Most environmental and natural resource challenges are caused by human activity and government policy, and to become an expert at identifying solutions to our current problems. You will learn that while policy and human behavior lie at the heart of many challenges, they are also our best hope for creating a better future. Environmental and Economics Policy allows you to study environmental sciences through the lens of human behavior and policy.

Your (BS) in Environmental Economics and Policy

- A minimum of 180 credits are required for graduation; 60 must be upper division (300 and 400-level courses).

Advising Contacts

It is important to speak with your OSU academic advisor early on, and often, to ensure correct course selection and sequencing.

Academic advisors at your community college and OSU are available to answer your questions and assist you in creating a transfer plan. **See your community college advisor first and use this Transfer Guide to help you plan.** Also, consider visiting OSU to take a campus tour and meet with an advisor. See visitosu.oregonstate.edu/visitcampus to schedule your personalized visit.
